## 4. Public Questions and Comments

- What is secondary access?
  - Secondary access is a locked gate used by emergency vehicles only.
- Where is the main entrance and secondary access?
  - The main entrance is along La Canada Drive, and the secondary access is along Sunkist Drive.
- Will the proposed subdivision be gated?
  - Yes.
- Can the proposed subdivision be accessed from the future tech park located along the east side of the property?
  - Yes.
- What is the proposed building height?
  - 25', two-story
- Who is the water provider?
  - Town of Oro Valley
- Can the property be accessed from Sunkist Drive?
  - No, Sunkist Drive is a private easement that does not allow legal access into the proposed development.
- Neighbors would like to see Sunkist Drive improved and used as the main entrance into the proposed subdivision.

## 5. Next Steps

- The next steps include:
  - Formal application
  - Staff review

- History of the property
- New access on Sunkist Drive
- Site Plan design
  - Lot and street layout
  - Open space
  - Buffer yards
  - Recreation areas
- Images of proposed viewsheds

## 4. Public Questions and Comments

- One resident had a concern with access being finalized during the rezoning process and not the General Plan Amendment process.
- Can motorists access the adjacent technology park from Sunkist Drive (north)?
  - No. Only emergency vehicles can access the technology park from Sunkist Drive.
- Neighbors expressed concerns with the response time of emergency vehicles, because the proposed site plan showed one driveway entrance.
  - The applicant stated that the proposed homes are required to have a sprinkler system and the Golder Ranch Fire District is required to approve their site plan design.
- Will the Town pave Sunkist Drive if the applicant does not move forward with the proposed development?
  - No. The Town's current capital improvement program does not include paving Sunkist Drive.
- Will the Town require a bridge over the existing wash if access is proposed from Tangerine Road?
  - Yes.
- Will the proposed development create drainage problems?
  - No. The proposed development is required to meet the Town's adopted drainage provisions and therefore no future drainage problems are expected.
- Why is access on Sunkist Drive better than using the existing curb cuts along La Canada Drive?
  - The applicant stated that access through the existing curb cuts created conflicts with their approved plans for the adjacent technology park.
- Where are the proposed utility lines?
  - The applicant responded as follows:
    - Sewer: South property line
    - Water: North property line from La Canada Drive
    - Electric: To be determined by Tucson Electric Power
    - Gas: East property line

- Will the applicant remove the existing overhead power lines located along the west property line?
  - The applicant stated that the existing power lines are proposed to be relocated underground with the electric company's approval.
- When will the adjacent technology park be developed?
  - The applicant stated that they do not have a timeframe for development.

## 5. Next Steps

- The next steps include:
  - Revised application submittal
  - Staff review
