How does your previous volunteer service prepare you for the board or commission appointment for which you have applied? Please describe an issue considered at a meeting of the Board or Commission for which you are applying.

My 35 years of experience as a professional urban and environmental planner is directly relevant to the work of the Planning & Zoning Commission. I possess the technical expertise to address the issues facing the community, be it land use planning, associated zoning compliance, environmental impact analysis, or the development review process. Serving on both the Board of Adjustment and the Planning & Zoning Commission has given me an appreciation of the role and influence that volunteer citizen boards can actually play in the planning process. My recent work with the Your Voice, Our Future planning process has enabled me to better understand the opinions of my fellow citizens regarding the future growth and development of our community. During meetings of the Planning & Zoning Commission, I reviewed numerous proposed developments and requests for amendments to our current General Plan.
